PROFILE

I am a dedicated Full-Stack Web Developer with 2 years of experience building responsive and high-performance web applications using React.js, Next.js, TypeScript, Python, and PHP. With 3 years of expertise in WordPress and 2.5 years in frontend development (HTML, CSS, JavaScript, Bootstrap, Tailwind CSS), I focus on creating seamless, user-friendly websites. I'm passionate about delivering high-quality solutions and continuously enhancing my skills to meet modern web development standards.
